

# Big Picture Questions

As we begin this term it is important to reflect on what we think about the world around us. We study the past to better understand our present. Please take a moment to respond thoughtfully to these questions.

---

\* Required

1. First name \*

---

2. Last name \*

---

3. Think about the world today... What is it about the world that you would like to better understand? What are you unclear about and wish to learn more about? \*

---

4. What do you know about the world that you would like to share? What perspective can you offer to help us better understand the things going on around us? \*

---

5. Who/What influences what you think and feel about the world? Why is this an important question in understanding how you view the world? \*

---

6. What do you wish to see from the world and humanity? What does your ideal world look like? \*
